Japan Vows to Continue Contacts With Red China To Aid Peking Dilemma

KYOTO, Japan (AP)—Japan told the United States today it will continue its contacts with Communist China to help Peking break out of self-imposed isolation. Foreign Minister Fumimaro Shima expressed the Japanese government's views as he and U.S. Secretary of State Dean Rusk opened the fifth annual meeting of Japanese and American cabinet officers. The three-day conference convened with leftist demonstrators marching in the streets of ancient Kyoto to protest U.S. policy in Viet Nam. A heavy police guard kept the 2,000 marchers a third of a mile from the conference hall.

Holiday Road Deaths Are Summer Record

By The Associated Press
The traffic death toll during the three-day Fourth of July weekend climbed to 576 today, the worst for any summer holiday in the nation's history. Late reports of traffic deaths that occurred up to midnight Monday night boosted the total beyond the three-day 1965 Labor Day toll of 575 deaths that was the worst for any summer holiday. This year's traffic toll also surpassed the record four-day July 4 toll of 557 deaths in 1963 as well.

Navy Bombers Attack Two Enemy Boats

SAIGON, South Viet Nam (AP)—U.S. Navy fighter bombers attacked two North Vietnamese torpedo boats off Haiphong early today as the navy continued its offensive against the Communist North. The attack was the first since the navy's July 4 offensive against the North. The navy said it had downed one of the two boats and was pursuing the other. The navy also said it had downed a North Vietnamese patrol boat off Haiphong.

Hoffa Tries To Keep Rein On Gibbons

MIAMI BEACH, Fla. (AP)—James R. Hoffa, president of the Teamsters Union, is trying to keep his own rein on the federal government's effort to remove him from office. Hoffa is facing a new five-year term, a \$25,000 pay raise and the right to appoint his own successor. Hoffa is reportedly trying to keep his own rein on the federal government's effort to remove him from office.

Burley Man Is Casualty In Viet Nam

BURLEY, Idaho (AP)—A Burley man, Corp. David L. Herbert, 26, died in Viet Nam Saturday. His parents were notified. Herbert was a member of the 2nd Battalion, 1st Infantry Division. He had been in military service since December 1964. He was killed in action on July 4.

Nevada Drought Could Spell Disaster For Some Stockmen

RENO (AP)—In a state where precious little moisture falls anytime, Nevada faces a drought this year which could spell disaster for some stockmen. The drought comes just as the cattle market has been rebounding from several lean years.

Sukarno Ordered to Give up Title

JAKARTA, Indonesia (AP)—Indonesian President Sukarno today ordered him to give up his title as president. The order was issued by the Indonesian parliament. Sukarno is the first Indonesian president to be removed from office.

29-ton Monster Rocket Stage Is Vaulted Into Orbit

CAPE KENNEDY, Fla. (AP)—America's heaviest satellite—a 29-ton monster rocket stage like that which one day will propel astronauts to the moon—vaulted into orbit today. As it circled the globe, ground stations monitored 10 tons of liquid hydrogen in its tank and reported in the early orbits that the high-energy fuel was behaving very well. Major purpose of the flight was to determine if liquid hydrogen at last had been harnessed for man-to-the-moon and other space flights after years of engineering headaches.

Democrat Governors Back War Conduct

LOS ANGELES (AP)—Democrats at the national governors' conference agreed today to seek action on a resolution endorsing President Johnson's conduct of the war in Viet Nam. They said they will try to get support from the Republican governors. Under the rules, a two-thirds vote will be necessary for adoption of a resolution. The conference last year did adopt a resolution backing the administration's position on Viet Nam, with only two Republicans balking. The governors were heading in to their first formal business session today to discuss revamping their rules for dealing with matters as resolutions on Viet Nam and the sometimes explosive civil rights issue.

Protests Are Staged on U.S. Around Globe

(See Picture on Page 3)
LONDON (AP)—Viet Nam is the familiar rallying cry as protesting crowds, many of them Communist-organized, staged Fourth of July protests around the world. The protests were staged in London, Paris, Rome, and other cities. The protesters were demanding an end to the war in Viet Nam.

River Running Party Back to Civilization

SUN VALLEY, Idaho (AP)—Sen. Robert F. Kennedy, D-N.Y., and a group of adventurous friends and relatives who ran the rapids-filled "River of No Return" in boats, air mattresses and a kayak were back in civilization today. But they weren't back to rest. Kennedy—who shot the last 40 miles through some of the river's rapids—planned to fly out with his family today for more vacation in Canada. The senator abandoned the rubber boats for the kayak—a long thin covered boat with a hole in the middle for the rider—just past the halfway point in the 10-mile trip down the Salmon River's middle fork.

Sufficient Troops Seen In Viet Nam

HONOLULU (AP)—The commander of U.S. forces in the Pacific says after a visit to Saigon that there are sufficient fighting men in South Viet Nam to rout the Communists. Gen. William W. Westmoreland said that the new law establishing the National Foundation on the Arts and the Humanities, Idaho is eligible and has applied for \$140,000 in federal funds to develop the Herbert Arts and Science Museum. The application was made through the Twin Falls state system.

Forest Campgrounds Are Busy on Holiday Weekend

Campers, fishermen, picnickers and sightseers flocked to the mountains of Southern Idaho over the Fourth of July weekend, according to the Twin Falls office of the Sawtooth National Forest. Personnel at the camps maintained by the forest service estimated that about 7,200 people took advantage of facilities available at the camp and picnic grounds. Campgrounds and the estimated total of visitors over the three-day weekend are Redfish Lake, 2,000; Snake River, 2,000; Alder, 2,000; and Snake River, 2,000.

No Rush

WASHINGTON (AP)—Robert M. Dill, commissioner of social security, says today that the program to expand the medicare program apparently have not made a posthaste rush to the nation's hospitals. "Admissions are running at normal rates," he said. "It seems fair to assume that the program will not increase hospital utilization above 5 per cent—and that will be absorbed in the places with little trouble."

Admit Part?

There were unconfirmed reports Tuesday morning that several persons had turned themselves in to authorities and admitted having part in the historic incident at Twin Falls High School. James J. May, Twin Falls county prosecuting attorney, says only that he had made it known that the persons involved were ready to name the others unless they turned themselves in by 12:30 p.m. Tuesday.

U.S. Funds Approved for Arts Center

Roger Stevens, Washington, D.C., chairman of the National Endowment of the Arts, announced Tuesday that Idaho is eligible for a grant of \$140,000 in federal funds to develop the Herbert Arts and Science Museum. The application was made through the Twin Falls state system.

Hansen Gives Strategy for Saving Water

WASHINGTON (AP)—Strategy for safeguarding the Pacific Northwest's water supply in a Colorado River bill that includes a water sharing study was described today by Rep. George Hansen, R-Idaho. The study for importing water from another river basin into the Colorado basin is included in a project bill approved by the House Interior Subcommittee on Reclamation.

YIDE PRICE HIRED

NEW YORK (AP)—The price of a subway ride in New York was up a nickel today. The increase, from 15 to 20 cents, will be in effect for the first time in a long time. The fare increase is expected to be in effect for a few days.

Press Women Set Conclave At Sun Valley

SUN VALLEY — Director of the Sun Valley News Bureau and member of the Idaho Press Women, Mrs. Dorice Taylor, has been chosen chairman for the convention of the National Federation of Press Women to be held in Sun Valley in June, 1966.

Mrs. Taylor, a native of Pennsylvania, has skied since she was 9, and spent Christmas in Sun Valley the second year the resort was open. The Taylors spent their yearly two weeks vacation in Sun Valley for the next four winters and eventually decided to move West.

Mrs. Taylor's first writing job at Sun Valley was a ski column for the Valley Sun, published by the resort. She is now director of the Sun Valley News Bureau, working directly under the Janss corporation of Los Angeles, which purchased Sun Valley from the Union Pacific Railroad last December.

Program plans for the 1967 National Press Women Conference have been under way since early January, Miss Shaduck announced. Mrs. Betty Benson of the Idaho Daily and Sunday Statesman is in charge of the workshop programming, and other appointments will be announced shortly by Mrs. Taylor.

Oregon and Washington are already making plans for participation with programs and a breakfast and banquet. This is the first time the National Federation of Press Women have met in Idaho.

War Turncoat Returns to United States

SAN FRANCISCO (AP) — Clarence Adams, a Korean War turncoat, returned to the U.S. mainland on Independence Day, remarking that "with all its faults, democracy is better than what they have" in Communist China.

Adams, his Chinese wife and their two children reached San Francisco on America's most patriotic day on the liner President Cleveland, the \$1,800-fare paid by his mother, Gladys Peoples of Memphis, Tenn. "I never considered myself a Communist," he said after spending 13 years in mainland China. Adams, 37, declared he went there because prisoner-of-war camp officials convinced him "their way might have something to offer."

When asked the faults of China, he replied only "Communism."

He plans to remain in San Francisco for a few days, then to continue on to Memphis for a visit with his mother.

Truman Hopeful Over Trials in Southeast Asia

INDEPENDENCE, Mo. (AP) — Harry S. Truman says he thinks the nation will come through its trials in Southeast Asia all right.

The former president made a short Fourth of July speech in front of the Truman Library Monday for the eighth year in a row.

"There are always liabilities you have to meet," he told the crowd of about 100. "Today people are fighting and dying in Southeast Asia. The motto of a people, the motto of a nation are on trial before the world. I don't think we need to worry about the result. I think we'll come out fine."

Decision of Pope May Be Sensational

ROME (AP) — The secretary of Pope Paul VI's birth control commission predicted Monday night that the pontiff's decision on whether to alter the Roman Catholic approach to artificial contraception could be "sensational."

But the Rev. Roger Hickey, director of the National Council of Catholic Bishops, said the papal decision would also be prudent. The commission's report, prepared after two years of study and debate, was turned over to the Pope last week for his study and final judgment. His decision is expected by the end of the summer.

Commission sources have indicated that a majority of its members favored liberalizing the Church rules against artificial methods of contraception, particularly relaxing the ban on use of birth control pills.

Serious Fire in Forest Averted

SAWTOOTH VALLEY. — The quick action on the part of six men working in the Sawtooth Valley district averted what might have been a large fire, according to Ralph Cisco, district ranger.

Cisco said the men helped control a blaze on Pole Creek. An eye witness told sheriff's last week, and their fast action helped check a fire which had great damage potential. The men are Paul Reed and Walter Somerset, both Jerome, Herbert Lewis, Stanley, and William Savell, Robert Steele and Harry Gershwalt, all Boise.

During this period of extreme fire danger, Cisco said, all users of the Sawtooth National Forest are required to carry a shovel, axe, and bucket, at all times.

WANTS SUPPORT

OLYMPIA (AP) — Gov. Dan Evans plans to ask the nation's chief executives to back a constitutional amendment requiring Uncle Sam to return some federal tax revenue to the states with no strings attached.

Best Player

SAN ANTONIO, TEX. (AP) — Bill D. Moyer, who usually fields reporters' questions as President Johnson's press secretary, fields a mean grunder as well.

By unanimous consent, Moyer at shortstop was the most valuable member of the Washington press corps team, which lost Monday to the San Antonio Chamber of Commerce in a softball game.

There were differing opinions on the score, but 6-6 was the prevailing one.

Collision of Two Planes Claims Six

LIVERMORE, Calif. (AP) — Two light planes collided and crashed Monday about five miles east of here, taking six lives.

The two single-engine aircraft, one a Cessna 441 and the other a Cessna 440, crashed about a mile apart. One exploded and burst into flames.

The other plane crashed in a field, killing Judd Rose of Livermore and Tony Arroyo of Pacifica. The other plane crashed in a field, killing Judd Rose of Livermore and Tony Arroyo of Pacifica.

Overweight Man Advises Swimming to Keep in Shape

HARRISBURG, Pa. (AP) — cials and local citizens. "If I last winter, Russell Chaffee hopes to reach the river's end at stopped on a scale and frayed. He is losing weight, too."

"I haven't weighed myself recently, but I would estimate I'm now about 210 or 230," he said. "And I intend to lose more. My natural weight is between 146 and 166."

He spends about 10 hours a day in the water swimming from 6 to 12 miles. All he consumes while swimming is water or soda.

He looks in fine condition, too. He is heavily muscled with a barrel chest and thick arms and shoulders.

His advice to those who want to lose weight is to try swimming, Mr. Chaffee cautions. "If you swim only a short distance, it improves your appetite."

"After swimming three-quarters or half a mile, a steak tastes three times as good."

Color, Comfort Are Keys to Outdoor Items

NEW YORK (NEA)—Half the U.S. population may be under 28 but there are a few oldsters and left with memories. With the continuing adoration of youth, the "elderly" will admit they remember the rustic hometown-made outdoor furniture that "cracked" under more than one generation's use.

There also were the cozy wicker chairs, touched up each summer with a coat of white paint. Nostalgic though these pieces rarely were when seen sitting on the favorite porch or in the back yard, thank heavens they are passing from the scene. Why? Because few designs of this life-priced piece, soothed the back or "sit" bones.

Today's sit-at-homes, relax in chairs and chaises designed for

comfort. Color, too, is taking off in this field formerly considered frigid when webbing first was offered in blue-white or green-white. These two color companions still are big in the outdoor furniture field. But in the aluminum chair set the color-conscious homemaker can turn to pumpkin, avocado, orange and yellow and iridescences.

More color, too, has come to the frames with one manufacturer with outdoor furniture divisions (Hamilton-Scott) adding an "outdoor finish" in anodized aluminum and an antique finish called "pallina green."

Stress of better design for comfort and good looks appears in the middle to high price range. As with all design innovations, contouring and use of webbing with better snap-back quality will filter down eventually to many of the budget-priced pieces.

Contouring of seating to the shape of the human body plus some other features, in fact,

The collection, which even includes a loveseat, features hollow plastic sections on a cold-rolled steel frame. The resilient suspension system contours the sections and the effect is similar to toiling in a hammock.

Topping off the color and comfort for the outdoors are the longer-lasting, easy-to-care-for baked enamel, anodized aluminum finishes and webbing of sturdier synthetics.

CHARGES FILED
GRANGEVILLE, Idaho (AP)—Charges of disturbing the peace have been filed against two members of the Cedar Flats Job Corps Center.

Taken in custody Sunday night were Raymond Miller, 18, and a 17-year-old youth.

Idaho County Sheriff Gene Fuzzell said camp authorities told him the two got into a fight.

There was no other disturbance at the camp, 30 miles east of Kooskia, Fuzzell said.

Integration March Staged By Negro

CHARLESTON, W.Va. (AP)—A Negro man began his own integration march here Monday by walking about 10 miles — all within the market line, leading to a segregated swimming pool.

Christopher Thorne, 28, pledged he would return to the pool every weekend through the summer until he matched the 250 miles covered by the recent Mississippi marchers.

Thorne walked 100 miles to the ticket window at Rock Lake pool — several times with his wife and infant son — and was rejected each time.

He would then return to the end of the line and walk his way forward. "Somebody called it a minuscule Mississippi march," Thorne said, "and that's about the size of it."

Man Attacked

SAN BERNARDINO, Calif. (AP)—Buehl Alfred was in the parking lot, police said, when a man approached and asked: "Have you got any money?"

Alfred answered "No."

The man hit him in the head, knocking him to the ground, officers said.

As the assailant was trying to remove money from Alfred's wallet, police said, Alfred struck the man with his fist, knocking his attacker to the ground.

Police arrived in time to catch the would-be robber. Then they helped the legless Alfred back into his wheelchair.

Wilson Plan Opposed by Union Heads

LONDON (AP)—Left-wing laborites and key union leaders are teaming up to fight a proposal by Prime Minister Harold Wilson to fine companies and union members that don't restrict wages and prices to the rise in national production.

Many union leaders are enraged over the proposed bill. It requires business and unions to submit to a national board demands for higher prices or bigger wages.

The board would decide whether the increases were justified and in line with the rise in national output now averaging 3½ per cent a year. Violators would be subject to fines of up to \$1,400.

Georgia Swim Facilities Integrated

CORDELE, Ga. (AP)—A racially mixed group of 100 used swimming facilities at a state park Monday where Negroes and whites had battled with rocks and bottles several days before.

The battle, June 24, sparked acts of vandalism during the following two days and culminated in a 30-minute gun battle between whites and Negroes last Tuesday night.

No one was reported injured in the "gun battle," but the violence prompted Cordele city officials to clamp an all-night curfew on this south Georgia city of 11,500 which was still in effect today.

Col. Lowell Connor, director of the Department of Public Safety, was on hand Monday night at the scene of the riot further violence as about 50 of the integrated group swam in the swimming pool where the melee had erupted earlier.

Whites had used the pool earlier in the day but left. The integrated group was ignored by families who spread picnic lunches on a riverbank in the Georgia Veterans Park about 500 yards away. Other white bathers swam in Lake Black-shar about a half mile from the pool.

PIONEER DIES
MARSING (AP)—Mark A. Marsing, a member of the family that founded this Southwest Idaho farming community, died Monday after a long illness. He was 79.

Marsing was the son born in Castleford, Utah, in 1886 and came to Nampa with his parents in 1902.

Services will be at 2:30 p.m. Wednesday at Alisp Chapel, Nampa. Burial will follow at Cloverdale Cemetery in Boise.

ANDRUS TO SPEAK

BOISE (AP)—Idaho State Sen. Cecil Andrus was scheduled to deliver a major address tonight at the annual gubernatorial campaign headquarters in Boise.

The Orolino Democrat said the speech would be the first in a series which will show the law of responsiveness and responsibility of the present administration.

CONVENTION SET

BOISE (AP)—A three-day meeting of the Idaho State Bar Association opens Thursday with program highlights ranging from a press report of the fight to federal corruption law.

Boy Myers, chief of The Associated Press bureau in Salt Lake City, is scheduled to address the convention Friday.

Speaking in opening sessions Tuesday will be Hamner Badger, a commissioner with the Securities and Exchange Commission. His subject will be federal corporation law.

INQUEST PLANNED

IDAHO FALLS (AP)—An inquest is planned by Jefferson County into the death Sunday morning of Gayle Jean Hall, 18, Menan.

The victim died in a two-car head-on collision 1.6 miles north of Grant on the Lewisville highway.

The wreck took place at 6:45 a.m. Also injured was Joe Henderson, 20, Ashton. State Police men Thomas Harvey and Larry Krauss, who investigated, said the wreck took place after a car driven by John L. Huntman, 27, Ashton, strayed over the center line and into the path of an oncoming pickup truck.

Sleep on Floor

KYOTO, Japan (AP)—U.S. Secretary of Labor W. Willard Wirtz and his wife have been sleeping on the floor in a Japanese-style hotel room since they came to Kyoto last Saturday to attend a meeting with Japanese officials.

"I think it is wonderful, very good on our spines," said Mrs. Wirtz.

Secretary of State Dean Rusk, Interior Secretary Stewart L. Udall, Agriculture Secretary Orville L. Freeman, Commerce Secretary John T. Connor, their wives and the 40 other Americans in the delegation chose Western-style beds at Kyoto's Miyako Hotel.

Lynda Bird Ends Holiday in Spain

BARCELONA, Spain (AP)—Lynda Bird Johnson ended her 10-day graduation gift holiday in Spain today with a five-minute news conference where she expressed "my thanks to everyone for the wonderful time I have had here."

The elder daughter of President and Mrs. Johnson was flying to West Germany for another visit of about five days before returning to the United States.

CAN'T ASK PAYMENT

SAN FRANCISCO (AP)—A union cannot require penalty payments from an employer who subcontracts to a firm using non-union help, a National Labor Relations Board examiner held Saturday in a Spokane case.

Employment Commission Is Finishing First Year Under Many Complaints

WASHINGTON (AP)—The Equal Employment Opportunity Commission winds up its first year of work today, buried under a mountain of complaints from minority groups — and women.

It was created July 2, 1965 by the 1964 Civil Rights Act to investigate and settle complaints of job discrimination because of race, nationality, religion or sex.

Geared to handle a predicted 2,000 complaints in its first year, the commission has received more than 3,000 thus far.

Of these, a total of 582 cases reached the conciliation stage. Of these cases, only 97 have resulted in nondiscrimination agreements.

But statistics don't tell the whole story, says acting commission Chairman Luther Holcomb, who has run the panel since the resignation of Martin D. Roosevelt Jr., last May.

"Holcomb, in an interview, said he is convinced the commission has 'made jobs' for thousands of Negroes just by the fact that we're in business."

Clarence Mitchell, Washington representative of the National Association for the Advancement of Colored People, says the commission "has done what it was expected it would do in the first year. It's been most valuable and it has gained the confidence of those who are the victims of discrimination."

Holcomb echoed that view. "The number of complaints we receive has never gone down," he said. "I think this is a sign the people who are discriminated against have confidence in us."

At noon today, the commission's jurisdiction automatically was spread from 38,000 businesses with 100 or more employees to 83,000 businesses, including all with 75 or more employees. The 1964 act provides for coverage of all firms with 25 or more workers by 1968.

Of the commission's first-year complaint total of 3,071, only 6,025 were within its jurisdiction. Of that number, slightly more than 3,000 came from Negroes, more than 2,000 cases — 33 per cent — sex discrimination charges. Only 127 complaints cited national origin, and

these included 70 complaints by Mexican-Americans.

About 23 per cent of complaints dealt with hiring, 21 per cent with promotion practices, 18 per cent seniority patterns, 13 per cent benefits and 11 per cent wage differentials.

The 582 cases that reached the conciliation stage "hit" the first year involved 209 employers or labor unions. Along with the 97 successful nondiscrimination agreements, there were 60 unsuccessful cases involving 19 employers or unions. Ten cases have been referred to the Justice Department for action.

Holcomb pointed out that each settlement or partial settlement affects not only the worker who filed a complaint but hundreds or thousands of workers in his company. And he said voluntary compliance with the law was widespread in the one-year period between its enactment and the date it went into effect.

In the past month, he has summoned labor union leaders, civil rights leaders and executives from major industries for private, informal conferences. He discussed segregated localities with the union leaders and the problem of combating rigid seniority patterns with the businessmen.

Holcomb said the seniority problem remains the commission's toughest challenge.

Survey Shows U.S. Students Attend Segregated Schools

WASHINGTON (AP)—The Office of Education has told President Johnson and Congress that a nationwide survey of education shows American children are attending public schools where they are segregated.

"We have now documented what we have always believed," Education Commissioner Harold Howe II said, "American children attend schools where almost all of their fellow students are of the same racial background as they are."

Howe briefed newsmen Friday on the advance of the report, which he described as "the largest examination of schools in the United States ever undertaken."

The survey was authorized under the Civil Rights Act of 1964, which requires the Office of Education to make a report to the President and Congress by 1968 on equal opportunities for whites and Negroes in the schools.

The report, entitled "Equality for Educational Opportunity," is based on studies of 4,000 schools, 600,000 children and 60,000 teachers.

Howe released a summary of the report Friday and said the complete 400-page report will be issued next month.

The summary said: "In its desegregation decision of 1954, the Supreme Court held that separate schools for Negroes and white children are inherently unequal."

"This survey finds that, when measured by that yardstick, American public education remains largely unequal in most regions of the country, including the South where Negroes form any significant proportion of the population."

"The education office considered desegregation and civil rights groups in the survey: Negroes, American Indians, oriental Americans, Puerto Ricans living in the continental United States, Mexican-Americans and other whites."

"Among minority groups, Negroes are by far the most segregated," the study said, "facing the greatest barriers. White children are the most segregated."

It added that almost 80 per cent of all white pupils attend schools that are "from 90 to 100 per cent white and at least 97

per cent attend schools that are 50 per cent or more white."

"For Negro pupils, segregation is more nearly complete in the South, but it is extensive in all of the other regions where the Negro population is concentrated: the urban North, Midwest and West."

"More than 65 per cent of all Negro pupils in the first grade attend schools that are 90 per cent or more Negro. In the South, most students attend schools that are 100 per cent white or Negro."

The report said the same segregation pattern holds for teachers of Negro and white students, though not quite as strongly.

Oregon Cowboy Takes Honors

ST. PAUL, Ore. (AP)—Some 13,000 rodeo fans watched Jackie Wright of Dayville, Ore., take the all-around cowboy honors Monday at the St. Paul Rodeo.

Other winners were: Jim Steen, Glenns Ferry, Idaho, bull riding; Brad Botta, Ellensburg, Wash., calf roping; Larry Mahan, Brooks, Ore., bareback riding; Beth Williams, Caldwell, Idaho, John's barrel race; Steve Graham, Oakdale, Calif., steer wrestling; and John W. Jones, San Luis Obispo, Calif., wild cow milking.

Patriotic?

BUFFALO, N. Y. (AP)—"It's hysterical," said Mrs. David Hersh of the Buffalo suburb of Tonawanda, N. Y., when her third child, a girl, was born Thursday.

Her eldest son was born on Columbus Day 13 years ago and her other son on Armistice Day 11 years ago.

Mrs. Hersh was born on "Labor Day," "21-plus" years ago.

Utah Boy, 4, Suffocates In Ice Chest

CENTREVILLE, Utah (AP)—A 4-year-old Murray boy was found locked in an ice chest in the back of a station wagon Monday. He was pronounced dead on arrival at South Davis Community Hospital.

LaMar Christensen, 4, son of Mrs. Ray Christensen of Murray, died of suffocation, hospital officials said.

City Marshal Clifford Russell said the boy was missed about 9:30 a.m. The family was visiting relatives in Centerville at the time.

Russell said the boy was playing hide-and-seek with other children in the neighborhood and apparently had hidden in the ice chest.

Stocks

NEW YORK (AP)—The stock market closed with prices scattered today.

The market was higher in the morning but soon lost its luster and showed a low average in the afternoon.

Weakness in the United States was a feature of this stock market, as a loss of about 5 in late dealings.

Gains of about a point, however, were displayed later in the day by such issues as General Motors, Standard Oil (New Jersey) and Illinois Central.

Many other key stocks were fractional losses.

Volume for the day was estimated at 4.7 million shares compared with 5.3 million on Friday.

Here was the picture near the close:

The market rose in the early morning but could not hold its gains and shifted a bit lower on balance. The more conspicuous losses occurred among high flying issues such as color televisions, electronic aerospace, airline and office equipment issues.

Big Three Motors remained weak ahead. General Motors retained a full point.

Du Pont's rise of 2 or better bolstered the averages, as did Eastman-Kodak's advance.

A point and a half was gained by such issues as American Telephone, Standard Oil (New Jersey) and American Carbide.

Aircraft and Fairchild lost 1/4 or more were United Aircraft, Hughes Aircraft, and KIM Aircraft.

Down about a point each were Du Pont Corp., Zenith, Xerox, IBM, and Eastern Airlines.

Prices were mixed on the American Stock Exchange in moderate trading.

The Daily Investor

By WILLIAM A. DOYLE

Q I wish you would write me a column to guide widows in their investments. I am a widow with one child entering college and one beginning the first grade.

A My reader advises me to invest in mutual funds. I have invested in mutual funds for many years and will give the most glowing testimony for them. I have invested in mutual funds for many years and will give the most glowing testimony for them.

What do you advise for widows?

BENSON COMPLETES RIFLE SWEEP HERE

Salmon Man Adds State Titles to Regional Crowns

Henry W. Benson, Salmon, at peak form, won the resident and open titles in the Idaho State rifle tournament Monday to make a clean sweep of a three-day weekend. The veteran won the iron sights, any sight and grand aggregate championships in the NRA western regional tournament, Saturday and Sunday and the momentum of a brilliant 1600 possible carried him through Monday easily. Benson claimed the Idaho championship with a 1,535-122x, and a point ahead of Ray Wheeler, Ellensburg, Wash., who had to settle for the master classification pin.

Kansas City Ends Oriole Streak at 7

BALTIMORE (AP) — Dick Green, knuckled in five runs, three on a seventh-inning homer, as the Kansas City Athletics defeated Baltimore 9-6 Monday night and ended the seven-game winning streak of the American League-leading Orioles.

Green also drove in the first and last runs during a six-run rally in the fifth — on a single and after being hit by a pitched ball with the bases loaded.

Oriole rookie Gene Brabender, making his first start after 10 relief appearances, left in the fourth after issuing a bases-loaded walk which tied the score 2-2.

Danny Cater singled off reliever Moe Drabowsky for two runs and Ed Charles doubled home another before Dick Hall, Drabowsky and Bill Green with a pitch.

Home runs: Kansas City Green (3), Baltimore, Snyder (3).

U.S. Davis Cup Hopes Burn Anew

WIMBLEDON, England (AP) — The hopes of the U.S. Davis Cup team were high today as the United States defeated England after the 80th Wimbledon tournament.

Dennis Ralston, America's No. 1 male player, from Baker, Ore., said he was "burned" by the loss. But he might be a stirring battle for the title in the final to Spain's Manuel Santana.

Ralston's form gave a life to the Davis Cup for the Davis Cup match against Mexico at Cleveland in August.

George MacCall, manager of the U.S. team, summed up the loss by saying, "I feel our team is coming." MacCall said, "If we get Arthur Ashe in a real chance of winning, we shall have a real chance of winning."

Ashe, the UCLA student who starred on the Australian circuit last winter, has just been drafted into the Army. But he is expected to be able to play against Mexico.

"None of us in the American team prides themselves on Wimbledon titles," MacCall said. "I played magnificently. But I think it was a worthy final, and I think he played better than ever before."

Wimbledon saw the eclipse of the Australians, holders of the Davis Cup. But they had a big share of bad luck.

Wimbledon winner in 1954 and 1955, went out pathetically in the quarter-finals with a damaged shoulder. Tony Roche entered the tournament with a damaged ankle and didn't get far beyond the quarter-finals.

"We mustn't kid ourselves," MacCall said. "We'll be in the next December, when the challenge round of the Davis Cup is played. The Australians certainly have suffered a setback here, but they still have some great players."

Homers Lift Ogden Past Idaho Falls

IDAHO FALLS (AP) — Terry Heizer and Bob Harvey hit back-to-back home runs in the top of the ninth inning to put out a 4-0 Pioneer league victory Monday night for the Ogden Dodgers over the Idaho Falls Angels.

Ogden manager Tony Laurore had protested the game in the seventh inning for the Ogden Dodgers when the score tied 7-7, on which the Idaho Falls Angels were leading the game.

On the protested play, Idaho Falls' Larry Wickham was in first base after a base on balls. Buddy Lawton then hit a line drive to first baseman John Wyatt, who deflected the ball to second baseman Rich Thompson. Thompson threw the ball to first base, but it was too late. The umpire ruled that Wickham by then had rounded second base without being touched on the hit. The umpire then allowed Wickham to come on and score on the error for the go-ahead run. Laurore protested that Wickham should play at third.

Twins Edge Indians, End Losing Spell

CLEVELAND (AP) — Bob Allison, outpopped Minnesota's seven-game losing streak Monday with a two-run pinch-hit home in the eighth inning, powering the Twins to a 6-5 victory over the Cleveland Indians.

Allison, batting for Don Mincher, broke a 3-3 tie with a shot over the left-center field fence following a walk to Harmon Killebrew. Reliever John O'Donoghue was the victim of Allison's fifth homer.

Killebrew's 15th homer, a two-run clout off Gary Bell, gave the Twins a 3-0 lead in the first inning after Tony Oliva tripled to score Zoilo Versalles.

The Indians tied it in the fourth when Fred Whitfield slammed a three-run homer, his 12th, after infield singles by Chico Salmon and Rocky Colavito.

It was Whitfield's first hit in 15 times at bat.

Falcons Take First Look At New Club

ASHEVILLE, N.C. (AP) — The Atlanta Falcons opened camp for the first time Monday with a rugged workout aimed at easing the team of trimming a 104-man squad trying for jobs with the newest National Football League team.

"We'll be in shape," Coach Nath Fickler said as he sent his rookies, free agents and castoffs from other clubs through two 90-minute conditioning drills at the Blue Ridge Mountains.

Fickler probably will start cutting the squad Thursday. A score or more likely will be eliminated before the final day of practice, today, preparation for the British Open Golf Championship.

Among those who toured the course Monday were Doug Sanders, Julius Burus, Jack Nicklaus and Gary Player.

Sanders was somewhat surprised at the wild rough which crowds the fairways here.

"Just let me have the lost ball and you'll see," he said, "I'll be the leading money winner," he cracked.

Burus, nursing an injured elbow, hesitated to challenge the rough.

"I got into the rough but hit another ball each time rather than play out of it," Burus explained. "I don't want to aggravate the injury."

Nicklaus and Player spent Monday in 18 holes of match play against two teenagers, British Amateur champion David Gledhill and a South African and Peter Townsend of Britain.

Broken Cheek Can't Stop Santo's Bat

By The Associated Press
A plastic shield covers Don Santo's left cheek, but National League pitchers could use a cover to shield them from Santo. The All-Star third baseman returned to the Chicago line-up Monday for the first time since June 26 and rapped four hits in six at-bats as the last-place Cubs split a doubleheader with second-place Pittsburgh.

Santo collected two singles and a homer in the Cubs' 7-5 first-game loss, then came back with a run-scoring single that snapped a 10-game losing streak and sent the Cubs to a 6-4 victory over Pittsburgh in the nightcap of a doubleheader, called after 7 1/2 innings because of darkness.

The 26-year-old slugger accomplished all that in his first appearance since a pitch from New York's Jack Fisher fractured his left cheek bone June 26.

"The doctor said if I could see I could play," said Santo, whose cheek was protected by a special plastic shield. "My left eye looks pretty bad, but I could see. Some of the Pirates kept asking, 'Boy, that eye looks bad. Can you see out of it?'"

"I guess I proved it," Santo especially proved it in the seventh inning of the nightcap with two Cubs on base, the game tied 4-4 and darkness moving in on lightless Wrigley field.

"I set myself to hit Don Cardwell's first pitch. It was anywhere near the plate," Santo related. "It was getting dark and I knew in my own mind that the umpires were going to call the game. This first pitch was a fast ball, and I let it go. It was a great thrill."

The single increased Santo's average to .319, fifth best in the league, and gave him an average of .388 during his streak, which started June 1.

Mira Slovak Is Easy Winner of Hydroplane Race

DETROIT (AP)—Steady-driving Mira Slovak of Los Angeles won his opening three heats and coasted home in the finals to win the tragedy-marked 58th running of the Gold Cup race Monday. The 37-year-old airline pilot picked up \$11,800 top prize money in the world series of motor boating.

Mets Shock Phils With Double Win

PHILADELPHIA (AP)—Three-run homers by Ron Swoboda and Al Luplow propelled the New York Mets to a rain-interrupted doubleheader sweep over Philadelphia Monday night, 9-6 and 8-1, snapping the Phils' win streak at six.

Between them they lapped in 10 runs, six of them by Swoboda.

In both games the Mets built up big leads in the first two innings—seven in the opener and five in the nightcap—and coasted to the victories. It was the second time this season that New York won both ends of a twin bill.

Jack Fisher, 6-8, was the best pitcher among the 12 of the long evening which lasted nearly eight hours, including a 59-minute rain delay.

He shut out the Phils until the eighth when Bill White collected his third hit, singling in Cookie Horns with the only run.

Swoboda hit the roof of the left field bleachers in the first inning of the opener, bringing home Ed Bressoud and Ken Boyer.

He got two more RBI in the second inning with a triple and then scored on a wild pitch. Swoboda also singled in a run in the nightcap.

Angels Rally In Eighth to Drop Tigers

DETROIT (AP) — Jose Cardenal and Jim Fregosi capped California's comeback with home runs in a seven-inning rally that led the Angels to an 11-5 victory over the Detroit Tigers Monday night.

Cardenal hit a three-run homer and Fregosi a two-run blast, following an error by Dick McAuliffe — to cap the triumph.

Joe Ackee hit a two-run homer in the second inning and Jack Warner hit a lead-off homer to trigger a four-run seventh inning for the Angels.

The Angels had been held to three hits by Tigers' starter Mickey Lolich after Adeock's homer. But two singles, an error and a fielder's choice continued their assault against Lolich.

The Tigers scored four runs in their second inning with Willie Horton starting it with a lead-off homer.

Financial Institution Declares

21st Dividend

Idaho Savings and Loan Association, with offices in Idaho Falls, Twin Falls, Pocatello and Boise, paid its 21st consecutive dividend Thursday, June 30. General Manager Howard Schow announced. The dividend was nearly one-half million dollars and represents the earnings on savings in Idaho Savings for the past six months. Over 20,000 Idaho savers shared in the dividend.

Mr. Schow announced that the state-wide savings association expects to pay approximately \$1 million in dividends before the end of the year. Since its modest beginning 21 dividends ago, Idaho Savings has shared approximately \$1 million with its savers. The association has always been a leader in paying one of the highest savings and loan rates in Idaho.

Idaho Savings Ups

Dividend Rate to 5.5%

The Board of Directors of Idaho Savings and Loan Association recently voted to increase the anticipated dividend paid to savers. A new high rate of 5.5% is offered on 48-month certificates and 5% on regular passbook savings. Other high returns are offered on accounts depending on the amount in savings and the time it will remain in the institution.

Dwain Knigge, Manager of the Boise Office of Idaho Savings, explains "that mortgage money and other loans will be more expensive in coming months, and we feel the new rates to be a fair share of the increased earnings of the institution. We feel the higher dividend rates will bring a great deal of new savings money to Idaho Savings and, hopefully, a large amount of out-of-state money seeking the greater investment opportunity in Idaho and the West. We should be able to continue to meet adequately the mortgage needs of the communities Idaho Savings serves," Mr. Knigge concluded.

Idaho Savings

Offers Broad

Financial Services

R. Kay Poulsen, Manager of Idaho Savings and Loan Association in Pocatello, recently outlined the many financial services available there and at other Idaho Savings offices.

"The primary service of our association is to make funds available for the construction of owner-occupied homes and give a profitable outlet for the funds of our savers and stockholders," he said. "Idaho Savings makes Federal Housing Administration and Veterans Administration loans, in addition to conventional loans. Idaho Savings is presently serving private investors by servicing about one-half million dollars in mortgages in addition to almost \$20 million in loans owned by the association. Idaho Savings also makes some funds available for the construction of multiple-family dwellings," Mr. Poulsen went on to say.

"Idaho Savings offers money orders, travelers checks and passbook loans. Passbook loans are especially appreciated by our savers who need funds temporarily but do not want to disturb their profitable savings accounts," Mr. Poulsen explained. "Under this program Idaho Savings will loan up to 80% of the amount in the borrower's savings account while the account goes on earning up to 5.5%."

Idaho Savers

Happy More

Savers in the State of Idaho are presently enjoying a period of high earnings. One of the leaders over the years in this move to share more with its savers has been Idaho Savings and Loan Association with its Twin Falls office at 220 Shoshone Street, East.

As of July 1, citizens of Idaho and the West can actually earn a high return of 5.5% per year on 48-month certificate accounts held to maturity. Regular passbook savings earn at a very profitable 6% rate with dividends calculated and added to savers' accounts twice yearly. Two-year accounts at Idaho Savings earn at the 5.25% rate.

Idaho Savings Appoints

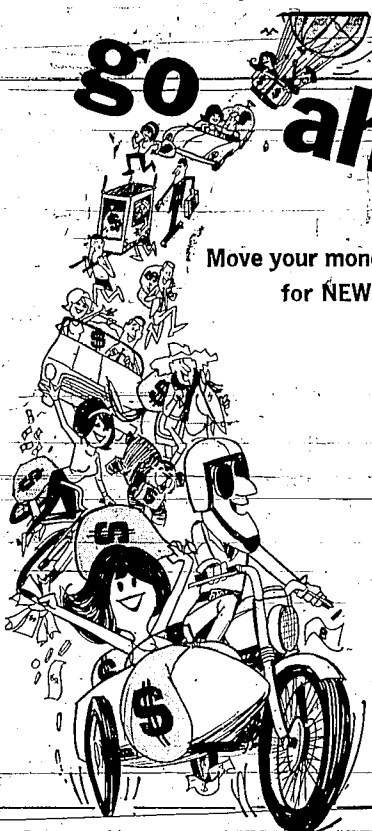

Two Additional Asst.

Vice Presidents

Idaho Savings and Loan Association has promoted two of its experienced staff to the office of Assistant Vice President. William R. Thornton and Max M. Higgason, both of Boise, were named to the positions at the June Board of Directors meeting. It was announced by Alexander H. Walker, Jr., Chairman of the Board.

"We are very happy to have two men with the experience and background possessed by both Mr. Thornton and Mr. Higgason with us," Mr. Walker stated. Both new officers have been associated with Idaho Savings for some time and have served as key men on the Boise staff.

Other officers of the \$22 million financial firm are: George Peterson, Idaho Falls, President; Alexander H. Walker, Jr., Salt Lake City, Vice President and Chairman of the Board; Leo Williams, Soda Springs, Secretary-Treasurer; and Dwain Knigge, Boise, Assistant Secretary. Howard Schow, Idaho Falls, serves as General Manager.
